TRANSPORTATION

Unless otherwise mentioned, transportation will be provided to/from reunion events for those staying at the official hotel. The cost will depend on the number of people needing transportation. Quotes I receive for transportation are always high, so personal vehicles are used whenever possible. Will you have a vehicle? Let me know if you have seats available. Using my personal vehicle, I do my best to shuttle people from the airport to the hotel on Saturday.

FREE TIME

If interested, we could visit K1 Speed and battle it out on the track, or we can take swings at the local miniature golf course. How about throwing out our shoulders while playing frisbee golf? See OPTIONAL EVENTS below.
