Orders are processed and shipped within three business days.

### Payment Options

Through our third-party vendor, Ecwid, I offer several payment options: Stripe, PayPal, Apple Pay, and Google Pay.

Stripe accepts American Express, China UnionPay (CUP), Discover & Diners Club, eftpos Australia, Japan Credit Bureau (JCB), Mastercard, and Visa.

PayPal accepts Visa, Mastercard, Discover, and American Express.

To pay with PayPal follow these steps:

1. Select PayPal as your payment method at the checkout.
2. You'll then be redirected to the PayPal website to proceed with the payment.
3. If you are already a PayPal customer, you can log in with your user details and confirm payment. If you are new to PayPal, you can create a PayPal account or select 'Guest.'

I do not currently offer Samsung Pay.

Keeping your online payments secure is our number one priority. That means you might need to verify your card payment with 3D Secure to complete your transaction. Contact your bank to learn more about 3D Secure authentication.

LSD36.COM guarantees that your details are completely safe. All information is sent encrypted to ensure total security of any sensitive information. Read more in our Privacy Notice.

If your card transaction is approved, the amount will be reserved immediately, and an order confirmation will be sent to your email address. If your card transaction is not approved, your order will be canceled. Please contact your bank or card provider if you have any questions about this.
